

Presenting this new home built by J. L. Construction

Lot #148 Fieldstone Crossing 57736 Fall Creek Drive, Goshen

The inviting front porch and welcoming foyer open into a large great room on this three bedroom, two bath ranch home with 1910 square feet. The great room has vaulted ceilings, gas vent fireplace and opens into a large dining area and kitchen. The master bedroom has a lighted tray ceiling with a large walk in closet. The master bath features double lavatories and a spacious walk in ceramic shower. A main level laundry with laundry tub and cabinets is off the three stall garage. Ceiling fans are located in all the bedrooms and great room. Andersen windows add to the low maintenance exterior and energy efficiency. The professionally landscaped lawn and landscaping will be easy to maintain with the sprinkler system. Included appliances are dishwasher, disposal, microwave, refrigerator and range. Private well, septic system, A/C, lower level egress windows and third bath rough in. Quiet country subdivision in Middlebury Schools.

\$315,900.00
