

Presenting this new home built by J. L. Construction

Lot #149 Fieldstone Crossing 57718 Fall Creek Drive, Goshen

This 1894 square foot ranch home with three bedrooms and 2 baths has an open spacious floor plan. The lower level has 600 square feet of finished living area with an egress window and a third full bath. The great room features a corner gas vent fireplace. The main level laundry is convenient off the kitchen and garage entry. The master bedroom suite has a large walk-in closet and the master bath has two lavatories with a ceramic tile shower unit. Also on the main level off of the dining area is a large sunroom for summer evening entertaining no matter what the weather. The three stall garage comes with openers and extra storage space. This home is energy efficient and exterior is maintenance free. The professionally landscaped lawn and landscaping will be easy to maintain with the sprinkler system. Included appliances are dishwasher, disposal, microwave, refrigerator and range. Private well, septic system, 1300 SEER A/C and all in a quiet country subdivision in Middlebury Schools.

\$279,000.00
